1. Our Commitment to Your Privacy

Welcome to SignAI. Your privacy is a core principle of our application. This policy explains what information we handle and how we protect it. Our fundamental promise is simple: your personal data stays on your device.

2. Data We DO NOT COLLECT

We do not collect, store, or have access to any of your personal data on our servers. This includes:

- Your name or email address.
- Your reading history.
- Your bookmarks.
- Your search history.
- Your personalized preferences.

3. How Your Data is Handled

3.1. Local Storage

All of the data listed above is stored exclusively on your local device using Apple's Core Data framework. Only you have access to it.

3.2. iCloud Sync (Optional)

If you choose to enable iCloud Sync, your data (bookmarks, history, preferences) will be synced across your personal devices using Apple's CloudKit service. This data is subject to Apple's privacy policy. We do not have access to the encryption keys or the content of your data stored in iCloud.

4. Third-Party Services

4.1. Firebase Firestore

We use Google's Firebase Firestore service for the sole purpose of delivering news article content to the app. We do not send any personal information, user identifiers, or device identifiers to Firebase. Your interaction with the news content is completely disconnected from your personal identity.

4.2. In-App Purchases

All in-app purchases are processed securely by Apple through the App Store. We do not receive or store any of your payment information. We only receive an anonymous confirmation from Apple when a purchase is completed to unlock premium features.

5. Your Rights and Control

Because your data is stored on your device, you have complete control.

- **Access and Deletion:** You can access and manage your data within the app's settings. Deleting the app from your device will permanently delete all of its associated local data.
- **Data Export:** The app provides a feature to export your data.

6. Changes to This Policy

We may update this privacy policy from time to time. We will notify you of any changes by posting the new policy within the app.

7. Contact Us
